Hoffa: US-Mexico agreement is first step towards better NA trade
August 28, 2018 | General President Hoffa, responding to the bilateral agreement-in-principle between the U.S. and Mexico to revamp NAFTA, said “The Teamsters Union has long been a leader in demanding real reforms to NAFTA to make it work for workers across all of North America. We have been working closely with the USTR on those demands and we believe that the Administration has taken real steps to deal with our concerns regarding cross-border trucking and highway safety. However, there is still much work to be done...” Teamsters Related: NAFTA negotiations on track but not done. AFL-CIO
